GROUP 320

SUPPLEMENTAL AMENDMENT AFTER FINAL REJECTION

In response to the Office Action dated February 18, 1992,
Advisory Action dated May 4, 1992 and the telephone interview with
the Examiner on May 18, 1992 please amend the above identified
application as follows:

IN THE CLAIMS:

Please amend the following claims as follows.

12/5. (Twice amended) A connector bank between a wire and a
circuit board, the connector comprising:

P1 a connecting element having connector means for forming an
electrical connection between said connecting element and the wire,
said forming of said electrical connection requiring a force to be
applied to said connecting element;

P1 contact means for forming an electrical connection to the
circuit board, said contact means having a plug connector means
